Bay Filly, (Apr), by Pioneerof the Nile - Above Perfection by In Excess (IRE). Trainer Rodolphe Brisset. Bred by Santa Rosa Partners (KY).

POSITIVE SPIRIT away in good order, sat parked out four wide on both bends, increased her presence to dispute the pace by midpoint on the backstretch, was still hitched up to the outside of two others as they stepped onto the far turn, poked a head down in front shortly after three-quarters had been reached, remained in hand en route to leading the competition into the stretch, was in the vicinity of three-sixteenths marker when asked for a response, gave it and drew well clear. AFLEET DESTINY at a considerable distance from off the rail throughout, swung three wide both onto and off of the backstretch, sat within range of the three front runners going at it eye to eye during the run around the second bend, picked up interest getting angled approximately five wide into the lane, under a ride, lost contact with the top one but had enough to secure second. FILLY JOEL grabbed the advantage shortly after the field had been sent off and running, was towards path two on each turn, but wider while travelling on the backstretch, came under pressure from a twosome to her outside as the half was being reached, gave in after going six furlongs, stepped into the stretch and tired. MOLTO BELLA had the pilot grab hold after losing her footing springing from the gate, took up the chase three wide, seemingly just about like all the others, namely not too eager to take up residence along the inside route, was sighted two wide and under a ride by the three-eighths pole, completed the run to the head of the stretch and ventured onward for the last major check. ENLIVEN away alertly, was in path three by the top of the clubhouse bend, was just as wide, vying from between rivals on the subsequent one, spun into the stretch and backed away. JENNIFER'S DREAM hung out four wide on the opening turn, moved over to the rail making her way on the backstretch, continued on it after entering turn two, got driven into path three heading to the three-sixteenths marker, lacked the needed response. GIRL OF TOSCONOVA underwent a ground-saving journey, and would indeed be the sole member of this group to spend significant time along the inside, nearly trailed throughout.
