**Bay Filly, (Feb), by Bernardini - Rachel Alexandra by Medaglia d'Oro. Trainer Todd A. Pletcher. Bred by Stonestreet Thoroughbred Holdings LLC (KY).**

RACHEL'S VALENTINA broke without apparent mishap, got placed along the inside route, was coaxed keeping pace with the front runners, got angled outward after completing the half, finished the maneuver being four wide, took off in earnest after the leader, drew even in the vicinity of the sixteenth marker, cemented herself to the front after a few more jumps, came out a couple of paths in deep stretch after being fed some left handed stick work, held on willingly. TAP TO IT broke a length slower than any other, saved ground before getting spotted in the two path at the top of the turn, was swung five wide into the stretch, steadily closed in on the front runners, shied out in the late stages reacting to the errant ways coming from the winner at that juncture. CONSTELLATION made contact with BANREE being released from the starting gate, secured a promient position, pressed the issue from the two path once TONASAH successfully tucked along the rail, bid for command after going a half, took over to lead the field into the stretch by a narrow margin, felt the presence of the eventual winner soon afterwards, relinquished to that foe with about a sixteenth remaining and weakened. ANNA RAE departed the backstrech in the two path, raced between rivals for the majority of the way around the turn, was swung outward spinning into the lane until six wide by the end of the furlong grounds, had no rally. TONASAH broke on top and maintained the advantage, showed the way from off the inside down the backstretch, pulling with some force on the left side all the while, got sent over to the rail approaching the half mile pole, yielded to CONSTELLATION's challenge after the half had been run, backed away proceeding down the stretch. BANREE was bumped at the start, underwent a three wide pursuit on the turn, commenced the stretch one path wider than before, had little left and gave way.
