Chestnut Ridgeling, (Mar), by Kitten's Joy - Devine Actress by Theatrical (IRE). Trainer Michael J. Maker. Bred by Mrs. Jerry Amerman (KY).

OSCAR NOMINATED was firmly rated in early stages racing off top trio, continued under snug hold wanting to do more going by the wire for first turn, stalked through backstretch then let out notch and moved up three deep near quarter pole in final turn, put to drive, edged away at eighth pole, roused for more under strong encouragement and held on. NESSY was taken back at the start and continued in last flight throughout early stages, continued patiently ridden edging up it closer in final turn, roused along far outside then was poised to attack at furlong out, given cue, finished strongly, gained to wire. BULLARDS ALLEY sat back under firm rating saving ground along rail, angled out and hustled up between rivals in final turn, set down for drive, dug in determinedly between foes in deep stretch, good finish, nipped for place. GOLD SHIELD settled back under strong hold in early stages, roused five wide in final turn, continued driving along outside reaching striking distance then yielded in final strides. MARKITOFF was taken under hold and remained in or near the back, saved ground along rail in final turn then angled out two path making slight contact with DUROCHER, set down for drive, roused forward into contention then finished evenly. MR CUB raced in tracking position behind the pacesetter throughout early going, launched bid for rival in final turn, briefly took the lead but was no match when OSCAR NOMINATED grabbed control, gaveway. DUROCHER pulled in early stages racing under firm hold wanting to do more, settled more and stalked through backstretch for second time, let put in final turn, raced near the lead then began to flatten while bumped upper stretch, offered no more. INFINITE WISDOM set the pace, saved ground along inside, challenged for lead in final turn, could not sustain bid, gaveway in the lane. FINAL COPY raced off early pace then failed to move on in late stages.
