# MEMBERSHIP PLANS

**Regular** membership (no minimum purchase requirements) provides BRIS customers with access to a host of FREE products, including entries, results, scratches, and our daily handicapping and racing newsletter, the Handicapper's Edge. All other BRIS products may be purchased at the regular membership rates.

In addition to BRIS's Regular "pay as you go" pricing, special savings are available through the Silver and Gold Club discount plans. These preferred player plans reward frequent customers with substantial savings based around a minimum monthly usage commitment.

**Silver Club** members (\$30 monthly minimum) are entitled to all of the free products and benefits of the Regular membership plan, plus substantial discounts on selected BRIS products. The \$30 monthly minimum is applied toward purchases, thus giving members a head start on discounted information throughout the year.

**Gold Club** membership (\$100 monthly minimum), designed for the power handicapper, rewards participants with all of the benefits of the Regular and Silver Club plans, as well as savings of up to 50% and more on many of BRIS's most popular products.

Club membership is a convenient way of ensuring the best value pricing on your required handicapping information. But remember, all of the numerous BRIS products are always available on an individually priced basis. As a Regular member, you pay only for what you use, with no minimums and no other obligation.

So whether you are a casual player, or wish to join an exclusive group of North America's most savvy handicappers, purchasing your past performances and handicapping information from BRIS will keep you far ahead of the competition. Sign-up now!
