Starter Races:

Alw25000s	Starter allowance for horses that have run in claiming races. The number indicates the minimum claiming price a horse must have started for to be eligible for this race but horses in this race are not eligible to be claimed.
Hcp25000s	Starter handicap for horses that have run in claiming races. The number indicates the minimum claiming price a horse must have started for to be eligible for this race but horses in this race are not eligible to be claimed. Weights are assigned by the Racing Secretary or Track Handicapper.

Optional Claiming:

OC50000	Optional claiming race where the horse was entered to be claimed for \$50,000.
OC50000N	Optional claiming race where the horse was NOT entered to be claimed and therefore had to meet the conditions of the race.
OC50000c	Optional claiming race where the horse was claimed from the race for the \$50,000 price tag. The small "c" at the end of any claiming race indicates that the horse was claimed out of the race.

Claiming Races:

Clm25000	A claiming race with no conditions. The claiming price of the horses that are entered is \$25,000.
Clm25000n1x	A claiming race for horses who have not won one (or more, depending on the number after the "n") race(s) other than those described in the conditions of the race. The claiming price of the horses that are entered is \$25,000.
Clm25000n2l	A claiming race for horses who have not won two (or more, depending on the number after the "n") races in their career. The claiming price of the horses entered is \$25,000.
Clm25000n1y	A claiming race for horses who have not won one (or more, depending on the number after the "n") race(s) in or since a specified time period. The claiming price of the horses entered is \$25,000.
