Fair Grounds: Thu. Feb 28

Fair Grounds Update (please read):

We are spending the next three and half weeks in Florida. We are gearing for a strong final month of the Gulfstream meet which has been very popular at Racingwithbruno. This means we will miss about 2 weeks of works at Fair Grounds. Thus, we will not offer a Fair Grounds Workout Report until Louisiana Derby, March 30. We will return to New Orleans, mid-month and catch all those workers for that big day. We, however, have included works in our system already added. Additionally, this Fair Grounds meet the turf course has been broken so it has caused a number of cheap races and small fields. It has weakened their program. We are also working on the up coming Keeneland meet next month and thus, we will have a strong run into the Spring and Run 4 Roses.

Oaklawn Park: Thu. Feb 28

Race 1: MSW (State Bred)

LQQK 7-Bow Street Runner ~ Comes out of the same race as the 4. Adds blinkers for her 2nd career start

9-Sashabye ~ Just missed last out

4-Bow Street Runner ~ Finished a well beaten 3rd on debut but should improve 2nd time out

8-Dressedupingold ~ 2nd start off the long layoff. Should be more fit and show some better turn of foot. If she runs to the race 2 back she will be right there at the wire

Race 2: Clm \$25k n2y

7-My Star Runner ~ Was well bet last out off the claim for Richard. Ended up dead heating for the win with the **6-Flying Forward**, who we will naturally put these two in a dead-heat for our top choice in this race.

1-Tortuga Straits ~ Comes out of much better races but is coming off the layoff from August

2-Tangled Sheets ~ 2nd off the claim and looks to be better matched with this group

7-Minotaur ~ First start with Stall and gets on the grass for the first time. Makes the drop from MSW

Race 3: Clm \$7.5k n1y

5-Phil's Tango ~ Was well bet and just missed last out

6-Roy L. ~ We liked him last out and he won nicely in a conditioned \$5k group. He got claimed out of that start and fits with the rest of this field

3-George Ray ~ Stretches back out to two turns and ran well in the last race

1-Silver Country ~ Finished an okay 4th last out... sort of one-paced. However, in this group he fits in

Race 4: Clm \$7.5k (State Bred)

1-Got a Stash ~ Makes the big drop in class off the win. Either they're looking for an easy out for this one in the hopes she gets claimed or hope to get an easy win again... or both!

4-Arky Spring's ~ We liked her last out and she showed some nice early speed off the layoff but faltered late to finish 4th. Should be much more fit 2nd off the bench

3-Victory Ghost ~ Ran an okay 3rd last out and should be better fit 3rd off the layoff

10-Orchard House ~ Ran a good 2nd in the condition last time

Race 5: Starter Allowance \$15k

- 7-Ocean Road** ~ Won last out for a \$20k tag and gets protected in this level. With any resemblance of form from that win she will be extra tough
- 9-I'm Cozy** ~ Can't go wrong with her record. Now gets protected and looking for her 3rd win in a row
- 8-Renegade Band** ~ The race at Keeneland in the fall and the one two back make her really close to our top two selections for this race
- 2-Frannie G** ~ Won well last out in a productive race

Race 6: MC \$20k

- LQQK 3-Blaine** ~ Just missed last out in the same condition
- 6-Ocean Park** ~ Took some play on the tote board last out and drops from MSW
- 10-Stiletto Girl** ~ Ran okay in the debut, drops from MSW and sports a nice workout patter on paper into the 2nd start
- 2-Fly Swiftly** ~ Adds lasix for the 2nd start and should improve after being well beaten in the debut

Race 7: Clm \$30k

- 3-Special Kid** ~ Won nicely last out in this same condition
- 5-Cat's Classy Rider** ~ Transfers back into Hartman's barn where he's had a lot of success in the past
- 2-Lunar Fleet** ~ 2nd off the claim for Tomlinson and drops into straight claimers
- 1-Channeling** ~ Should show signs of improvement 2nd off the layoff

Race 8: Optional Claiming \$32k n2x

- 2-Falaah** ~ With any type of the same form he had this time last year, he gets in the winners circle EASILY. He is coming off the layoff from last February and transfers out of McLaughlin's barn
- 1-Rhetorical** ~ Ran a big race last out and just missed by a length
- 3-Lake Victor** ~ Finished back-back 2nds in this condition the last two times out. Eventually he will find some better luck and get another win
- EXOTIC KEY 5-Pocket Medal** ~ Steps up in class but is in good form. May not have enough to beat the short priced favorites but a 12/1 on the ML, he could be useful in the exotics

Race 9: Optional Claiming \$32k n2x

- 1-Master Rick** ~ Drops from much better stakes company into an allowance spot
- 9-Son of a General** ~ Cross off the stakes try at Turfway and he sports a really nice record
- 4-Muazzaz** ~ Won sharply last out in good racehorse time. Stretches out around 2 turns... we'll see if that speed can carry two turns
- 11-Texas Air** ~ In good form and has the speed figs to be a player in this field
