Miyadi claims are always eligible for major improvement and quite a few of them win handily. FAITH OF THE WEST certainly did both as he stretched out and blew by the leaders in the lane to win by six in fast time. Of course, he once did cost someone \$250k. Up the ladder.

FAITH OF THE WEST (HTW)	58	Stalked leaders in hand, outside move into lane, widened
OUTSTANDING BILL	52	Favorite forced the action, proved no match for winner
EL PRADO'S BOY(fw) (HTW)	51	Set pace to stretch, held together OK, goes to Miyadi (oh oh)
ROBERTA'S MATT	46	No factor
TACO WILLY	42	Outrun outside
I'M JACKIE'S BOY	41	Used up early inside, quit far turn

The track was listed “good” and it was still a bit off with the outside lanes best. **FINALLY A BOY** finally graduated as he rallied outside into the lane and proved over the likes of **STRAW HAT CHARLIE**. The rating came back below par.

FINALLY A BOY	48	Never far back, rallied outside with bias, pulled away late
STRAW HAT CHARLIE(Bon)	46	Perfect trip stalking, had every chance, belongs at this level
FORTUANTE SON	43	Lagged, rallied by tired ones from good outside
CRAFTY CONNECTION	42	Lagged, mild outside rally, Repp lost the whip at 1/4 pole
RARENESS	42	Settled, rail move into lane, lugged out/steadied lane, hung
WALTZAROUNDMOSCOW(fw)	40	Volleyed on pace, lugged out badly into lane, fell back

On the upgrade for Sherman, **SACRED SENOR** sat the perfect trip tracking the leaders outside, rallied with the bias and drove well clear in solid time. He still has room to improve but the barn is likely to run him back for a tag. No excuses for **FREE AMERICAN**, other than being near the deeper rail.

SACRED SENOR	56	Settled nicely outside, rallied with bias, pulled well clear late
FREE AMERICAN	53	Dueled outside early rival, proved no match for winner
YANKEE GATOR	48	Rank and far back early, passed tired horses outside late
BEAU MAGGIE	45	Tried for lead outside pace foes, faded in drive
FLYIN ON BYE	44	No factor
ARCH STANTON	40	Hard used on early duel along rail, gave out turn

Just when you thought she'd never win, **JUSTLY ROYAL** pulled one out at 4/5. She lagged early, rallied wide into the lane and caught well-meant **DOUBLE LYPH** late with her normal figure. Kathy Walsh claimed her but she hardly acts like a SoCal turf filly.

JUSTLY ROYAL	53	Lagged, steady outside rally into lane, along in time
DOUBLE LYPH	52	Pressed pace, responded to challenges in lane, second best
BADGETT AT NIGHT	51	Stalked pace, challenged leader mid stretch, hung

Pricey **KING MOBAY** covered quite a bit of extra ground here but it didn't matter as he rallied with the bias in the lane and drew off for a 15/1 upset over 20/1-shot **FOOLED YOU TWICE**. The rating indicates this was a good spot for a surprise because the favorites race poorly.

KING MOBAY	49	Very wide 1 st turn, rallied around field into lane, drew clear
FOOLED YOU TWICE	46	Also very wide early, stalked pace, got lead lane, no match
DANCES WITH CZARS	44	Stalked rail, blocked into lane, cut inside late, bogged down
BAY COM THREE	44	Speed, fell back to last backside, re-rallied by tired horses
BERTRANDO'S CHOICE	43	Widest around 1 st turn, little outside move into lane, tired

Low-rated race for the level. Coming off a troubled trip last time, **CHAPILKIM** dueled outside **SUMMER'S COOL** and the bias made the difference as she beat that foe by a neck late. The others never really got involved in what was a two-horse race from the start.

CHAPILKIM	52	Dueled outside rival, floated out into lane, won with bias
SUMMER'S COOL	52	Dueled inside, drifted off the rail into lane, beaten by bias
GRAND SEQUOIA(fw)	49	Stalked leaders good outside, made no impact despite bias

Making it three straight and four of five in her first start for Dorf, KLEVEN'S ALIBI stalked the leaders from the favorable outside and pulled away late to score an improved rating. Three of these were claimed but not the winner. GOTTA GO GAL (taken by McArthur) was too late from the outside.

KLEVEN'S ALIBI(fw)	53	Perfect trip stalking outside with bias, took over in drive

DANNY DINGLE may not be Gilly's best two-year-old at the moment but he sure made it look like he was in this romping allowance win. He dueled inside an early rival and opened up when turned loose by Baze into the lane to win by seven in fast time. He cost \$100k and has always acted like a distance type despite a sprint pedigree.

DANNY DINGLE	62	Dueled inside rivals, opened up w/o being asked into lane
KROVITZ	55	Early trailer came home well to pass all the others easily
LONGER WALK	53	Settled off pace, lacked much kick from favorable outside

Chalk up another win for Baze who sailed by Pat Day in career wins with four on this card. ITS-APROSPECTOR lagged, rallied wide with the bias in the lane, got to the front but had to fight it out with a stubborn SONG OF THE BULL to the wire. Par rating here.

The track was listed 'good' and was off a couple of ticks. Most of the winners raced close up in the sprints but they were all pretty logical, so we'll go with 'no bias'. AISLE LIGHT, unraced since debuting back in late December, was odds-on with Baze from the rail and never looked a loser as she outran this modest field to win by seven without need of a fancy rating. Think she just caught an empty field.

Much closer to the pace than normal, EL GRAN PATAGON forced the action from the outside and drew clear to beat odds-on MILITARY ACADEMY handily. The latter, sluggish early, could only chase the winner home and now moves to Bonde. Hollendorfer reclaimed CLASSIC KID.

EL GRAN PATAGON	55	Full of run early to press pace outside, widened stretch
MILITARY ACADEMY	52	Lagged early, modest wide rally, regressed rather badly

Continuing her wicked run through her claiming and allowance conditions, odds-on VACA CITY FLYER scored win number six from eight 2004 starts, five since being claimed by J. Martin for a paltry \$8k at Vallejo. Her earnings for the year are right around \$100k as she took this in facile fashion while dominating a modest field after a stalking trip outside. They can either take her down south to run for a high claiming tag or go into local stakes (if they ever fill). The others were no match.

VACA CITY FLYER	64	Businesslike win stalking pace outside, draw off in lane
YEREVAN STAR	61	Dueled on pace off rail, had lead, no match for winner

Freshened since poor races at DMR and PLN, KID RALSTON rebounded nicely as he settled back early and then rallied gamely between horses in the lane to get up late. TREETOP'S GLORY is also improving and he rallied well from the extreme outside before running out of ground. HUH set a quick pace and then all the speed types fell apart in the final furlong.
