

## Horses To Watch in Today

***All Tracks***

***Saturday, April 24, 2004***

*Horses running today  
which have appeared on  
previous HTW lists*

Track	Race	Horse / Projected Next Start	List (List date)	Race Date	Trip Notes
CD	5	<b>MOSS ROSE</b> 3-, MAIDEN, SPRINT	SA13 (3/24)	3/20 SA	Baffert firster should improve off this. Not quick into stride, advanced outside, loomed three deep 1/4-pole, took narrow lead in final furlong, weakened late. The half to Five Schillings had trained well and ran like a short horse.
HOL	2	<b>ALPHABET KISSES</b> 3-, MAIDEN, SPRINT	SA14 (3/31)	3/28 SA	Firster can run. Alphabet Soup filly lacked gate speed, up to third on the inside while racing green and taking dirt, angled three-wide on turn, steady finish. She'll move up a ton next time for Marty Jones.
		<b>LADY GENERAL</b> 3+, MAIDEN, ROUTE, TURF	SA13 (3/24)	3/21 SA	Had a two-wide trip just off pace in fifth, blocked badly final furlong. Have to give her another chance, her trouble was more severe than the favorite
HOL	10	<b>MISS CYPRUS</b> 4+, STRALW \$40K, SPRINT	SA16 (4/14)	4/07 SA	Was a mile the best. The runner-up broke slowly and took up sharply to spot field about eight lengths, moved up to be mid-pack in the clear, waited behind wall of horses at 1/4, 2-path, steadied in mid-stretch, got up for second in a remarkable effort.

*Note: We will be excluding from this daily report horses that have won or have run twice since being put on the list or that appeared on a list that is more than two months old.*
