

Race 4, V5-1**Auto 1640**

6 Korok is the best horse but he hasn't raced for one year. He might need this race but faces easy opponents. Good chance. 1 Terrible Trick met good horses in the last race but did alright. He is a quick starter and will be hard to beat in the lead. 5 Cocktail Zon is also back after a longer break. Uses to finish well with the right defensive trip.

Race 5, V5-2**Volt 2140**

10 Northern Laday took an easy win in the lead in the last race. He is good from behind too but has been a non starter after the last race. 4 No Publicity showed the right attitude when he won in the lead three races back. Hard to beat in that position. 11 Magic Dirt is more strong than speedy. Looked on his way to victory in the last race but didn't trot well at the end. 5 Knockout Töll is very tricky but is really good and should be considered if he avoids a mistake.

Race 6, V5-3**Auto 1640**

3 Aldermarin gave away the lead to Hallsta Lotus in the last Swedish Championships and did very well second up. Before that he took a close win in the lead. Will reach the front here. Hard to beat. 7 Järvsöviking got a very tough journey in the Swedish Championships outside of the leader. He is getting better and better. 9 Best Elden is speedy and has got a perfect number for a defensive trip. Overpace would suit him well. 1 Torpa Carl finished very well in the last race.

7 Västerbo Offspring did really well in the last race. He finished well to a comfortable win and was not empty. Can do a bit by himself and should have top chance to win this. 1 Gidds Leg found room late in the last race and finished well. 8 Keso uses to meet much tougher opponents.

Race 8, V5-5**Auto 2140**

1 Ninepoints Kelly is a quick starter and should be able to take the lead here. Two races back she took over the lead with 900 meter to go and won easily. In the last race she finished very well too. 2 Mellby Tiptop is fast but not reliable. Failed in the last race though and we are not sure about the form. 11 Loc Pietro has been improved a lot in the last race and is possible despite this number.
