

BREEDERS' CUP JUVENILE CHEAT SHEET

CAMP HOPE

PRO Won for fun in his debut at 10-1; potential to keep improving.
CON Wheeling back on short rest and time was nothing special.

KING FURY

PRO Gutted out a victory in the Street Sense following a no-show in the Breeders' Futurity.
CON Like stablemate Camp Hope, returning on short rest; Churchill specialist so far.

REINVESTMENT RISK

PRO Among the fastest of his generation so far, could improve a lot stretching out.
CON Well held by Jackie's Warrior and simply might not be good enough to turn the tables.

LIKEABLE

PRO Won with ease second out after missing narrowly in his debut.
CON Tough spot in which to face winners for the first time; improvement required.

ESSENTIAL QUALITY

PRO Has won convincingly both starts, including the Breeders' Futurity over this track and distance.
CON Enjoyed an ideal trip in the Futurity, will likely have to come from farther off the pace here.

KEEPMEINMIND

PRO Outran expectations when a clear second in the Breeders' Futurity at odds of 52-1
CON Still a maiden through two starts, and hard to back that kind in a race of this stature.

JACKIE'S WARRIOR

PRO Has dominated his peers so far and found another explosive gear when stepping up in trip last time.
CON Untested so far around two turns and easy lead no guarantee this time.

CLASSIER

PRO Won with ease around one turn first out, but bred to excel around two turns.
CON Like other last-out graduates, faces a potentially daunting task facing winners here.

SITTIN ON GO

PRO Has passed the eye test in both starts to date, including the one-mile Iroquois at Churchill.
CON Form of the Iroquois hasn't been flattered by second- and third-place finishers.

DREAMER'S DISEASE

PRO Beat a next-out winner when taking a two-turn allowance over this track
CON Has blown hot and cold through four starts; took advantage as lone speed in both wins.

NEXT

PRO Rebounded from summertime loss to win twice, including track-and-distance allowance by nearly 12 lengths.
CON Not severely tested in latter off-the-turf test; faces other speed here.

HOT ROD CHARLIE

PRO Addition of blinkers and a slow pace aided in belated breakthrough last time.
CON Needed four starts to break his maiden; takes steep hike in class.

ROMBAUER

PRO Dirt debut in the American Pharoah a solid effort despite a shaky start, wide trip.
CON American Pharoah perhaps not the strongest prep as dominated by turf graduates.

CALIBRATE

PRO Connections must think highly of him after disappointing at short odds in the Breeders' Futurity.
CON Futurity run might be truly indicative of his relative talent.
